Thank You to Jere Minnich, APCUG speaker at our March meeting and Jeff Wittman at the April meeting.

Jere Minnich gave us great information on Tips and Tricks for Windows 10 and IOS. He combined several subjects and also answered questions. We appreciate his time and information that he shared with us. A very informative meeting. (See Photos)

Thank You to Jeff Wittman, speaking on Vitamins vs your prescription drugs, CBD and discusses reliable sources. Also, what does the Internet say about this subject. Jeff is a Licensed Nutritionist and is well-

known locally. He makes appointments for local consultations at his store, Jeff's Health & Nutrition, Inc.. Thank You Jeff. (See Photos).

In May we also enjoyed our APCUG Video presented by Diane on Techboomers and their website information. This website would be a good summer project, as these videos are very informative. Check out the website: Techboomers.com.

Thank You Jere for the valuable information in March.

Thank You Jeff for the great Health seminar in April.

Why You Should Stop Using Mobile Data

<https://www.computerworld.com/article/3379616/why-you-should-stop-using-mobile-data>

After reading this post, I turned mobile data off on my smartphone for the weekend. Instead of checking Twitter, Gmail, etc., all the time, I was able to just enjoy the day without interruption. I was able to use the phone and text functions without any problems. The few times I did want to get to the internet I was able to through Wi-Fi either at home or nearby shops. (I am thinking that I will keep mobile data off unless I am traveling and need to use the internet a lot.)

HTTPS Everywhere — Make The Internet A Safer Place

<https://www.wonderoftech.com/https-everywhere-extension/>

I use this extension all the time in my browsers. I like that I don't have to keep checking for "https" all the time. If you don't already use this, read the post and install it in all your browsers, set it up, and be safer easily.

Computer/Tech Club News:

- ◆ The class schedule for the Fall, 2019 and Spring, 2020 will be out in our August RH Newsletter and our Computer Tech Club bulletin board.
- ◆ Please keep your email address updated with both Barbara Arnone, Treasurer and Di. We are sending out more tips and info monthly.
- ◆ **TIP:** Correct Spelling is important, especially when posting to a social media site (ie: Next Door/Facebook, etc.) and email. Bad spelling says many things about you. TYPING IN ALL CAPS is "SHOUTING". HEY YOU! This is not good or respectful.
- ◆ See you at the September 4 meeting. Bring your own beverage and we will have snacks for you. The program will be on "Office Options." presented by Di Binder; more later. **Happy Summer!**
